

2019 CAMP REGISTRATION

Completed Registration/Emergency Forms are accepted with a 50% deposit before May 3rd. Full payment is due after May 3rd. Additional weeks may be added with one week's notice. Changes and additions will result in a \$10 fee. Cancellations after May 31st will result in a 50% refund. *Unless otherwise notified, camp registration allows The Jefferson School to use camper's photograph in promotional materials.*

* Non-TJS families must send in a copy of their immunization records with their Emergency Card.

At The Jefferson School we are reimagining education — one engaged, motivated child at a time.

CURIOSITY CREATIVITY COMMUNITY

The Jefferson School inspires a love for learning through an innovative academic environment focused on exploration, discovery and active participation for students in preschool through grade 8.

Located at the edge of the Redden State Forest, The Jefferson School campus is an ecological treasure, with two ponds, trails with five family fitness stations, a garden, greenhouse, goats, chickens and honey bees. Since 2010, we have been cultivating alliances with regional partners to build a nature-centered, hands-on curriculum for our students in a setting that can be shared with others in the community.

For further information, contact Connie Hendricks

Summer Camp at The Jefferson School

Ages - JK (age 4 by September 1 and potty trained) - age 14
Cost - \$250 per week (7:30 am - 5:30 pm) Program - 9:00 AM - 3:00 PM
Complimentary AM care - 7:30 - 9:00 AM & PM care - 3:00 - 5:30 PM
All camps will feature a guest speaker and a field trip
👤 Max - 24 campers per week - **NO CAMP THE WEEK OF JULY 1-5.**

June 17-21 - Child vs. Wild Survival Week

The Jefferson School is on its own with just the resources on site to help us survive! Campers will learn all the necessary survival skills to help us make it through the week including: fire building, compass navigation, wild edibles, shelter building, fishing and more!

June 24-28 - Amazing Animal Adaptation

Fish that glow, deer with fangs, and toads that vomit up their entire stomachs are only a few of the crazy animal adaptations we will learn about this week! We will end the week with a fashion show that highlights your favorite animal adaptation with self-made costumes!

July 8-12 - Mad Scientists Week: Solving the Mysteries of Nature

How can bugs walk on water? Why do we have to wear sunscreen? What makes snowflakes into such beautiful shapes? The natural world around us is crazy! Learn about these and other mysteries through hands-on experiments all week long!

July 15-19 - Wild About Water Week

At camp this week we are wild about water! Learn all about what lives in our natural waterways including fish, snails, turtles, and even the ones we can't see! In addition, campers will get to learn about and engage in the super fun recreational sports that take place on the water such as kayaking, canoeing, and paddle boarding!

July 22-26 - Dirty Days: Get Ready to Get Muddy!

Get ready to get dirty: it's mud week! This week our campers will discover all of the amazing creatures and intricacies of mud with lots of icky, messy, muddy, hands-on experience!

July 29-Aug 2 - Any Fin is Possible: It's Fishing Week!

It's o-fish-ally fishing week! This week we will learn everything from the basics of casting a rod and baiting a hook to the different types of lures and how to pick the best fishing spots. Along the way, we will learn about the biology of fish, our native and invasive species and the history of fishing.
